

## Stepping up

I read the story about April 18. I did not bring ANY chips into the VFW, Also at no time did anyone see me bring chips out of my pocket. I did have an extra chip in the stack and I was wrong for not turning it in to the tournament director. I do apologize for that because it was wrong. I apologize to Jeff and the VFW and to all of the players, To all of my friend I have made over the time I AM sorry and wish you all the best, I will miss you all because I will not be coming back, AGAIN. I AM SORRY
